

# IMPACT. MAKE ONE.™

Without the cures for breast cancer, more than 25 million women around the world will be diagnosed and 10 million could die in the next 25 years. Together, we can change this. I've made my commitment to end breast cancer forever right here in my community by registering for the Susan G. Komen Nashville Race for the Cure®.

Up to 75 percent of the money raised by the Susan G. Komen Nashville Race for the Cure stays in the community to fund breast cancer screening, treatment and education programs. The remaining dollars support the Susan G. Komen for the Cure® Grants Program, reaching people in areas where breast cancer mortality rates are the highest.
